Session 3: Acting for Climate in Homes and Congregations

Purpose: To develop an understanding of the PCUSA's support for Carbon Fee and Dividend policy and the most significant ways for individuals and churches to reduce their carbon footprints.

Biblical Theme: FAIRNESS (Matthew 6:25-34)

- 1) Welcome and road map
- 2) Scripture reading, meditation, and prayer
- 3) History of PCUSA's environmental advocacy
- 4) Global carbon footprints; reducing individual carbon footprints
- 5) How congregations address climate change
- 6) Breakout rooms
 - What is your household already doing to reduce consumption and carbon footprint, and what changes are you considering?
 - What steps would you like to see explored within your faith community to reduce its carbon footprint?
 - What will be your first step to pursue these changes, and who needs to be involved?
- 7) Enrichment reminders
- 8) Closing prayer and video (Katharine Hayhoe)
